NOTICE OF ALLOWANCE

1. Claim 1 is allowed.
2. The following is an examiner's statement of reasons for allowance: It appears that the prior art of record fails to teach or render obvious a method for inserting solid objects into human bodies, said method comprising, *inter alia*, the combination of providing a syringe having a bore and a front opening formed therein, to receive the solid objects therein, providing an extension extended from the solid objects and bent relative to the solid objects, to have the extension bent and located outside the syringe, providing a material within a capsule of the solid objects, engaging the syringe into skin of the human bodies providing and engaging a plunger into the syringe to help engage the solid objects into the skin of the human bodies, and disengaging the syringe from the human bodies, to retain the solid objects within the human bodies, and the extension of the solid objects being provided to retain the solid objects within the skin of the human bodies after the syringe is disengaged from the human bodies.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
